DETAILED ACTION

Allowable Subject Matter

1. Claims 11-20 are allowed.

The following is an examiner's statement of reasons for allowance:

Independent claims 11, 13, 16 and 18, when considered as a whole, are allowable over the prior art of record. Specifically, prior art fails to clearly teach or fairly suggest the limitations "the generating determined computer graphics image superimposed on the real world observed by the user except for the image elimination region". The dependent claims further add limitations to the allowable subject matter of the corresponding independent claims; thus are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
